## 90% Energy Efficiency (EER>40) Air Conditioner

**M-30:** 3 Tons of Cooling Capacity  
1,500 SF of Cooling  
Multiple Unit Configurations  
Unit Price: \$3,500(Excluding installation)

**M-50:** 5 Tons of Cooling Capacity  
2,500 SF of Cooling  
Multiple Unit Configurations  
Unit Price: \$5,500(Excluding installation)

**C-60:** 6 Tons of Cooling Capacity  
3,000 SF of Cooling  
Unit Price: \$6,500(Excluding Installation)

**H-80:** 8 Tons of Cooling Capacity  
4,000 SF of Cooling  
Unit Price: \$9,500(Excluding Installation)

### 1. GREEN FOR YOUR POCKETBOOK

--use up to 90% less energy than conventional systems, saving you lots of green on your energy bill

### 2. GREEN FOR THE PLANET

--an environmentally responsible choice, 90% less carbon emissions

### 3. GREEN FOR YOU

-- provide 100% fresh, filtered air, dramatically improving indoor air quality while removing dust, pollens and allergens

100% fresh, filtered, cool, and comfortable air  
with no added humidity
